Case No. CO-06-006

CONSENT ORDER

Following a hearing on May 22, 2007, the City of Atlanta Board of Ethics found probable cause to believe that James F. Maddox, Sr., had violated Section 2-811 of the City's Code of Ordinances and set the matter down for an evidentiary hearing.

The parties have agreed to resolve the matter prior to the evidentiary hearing, subject to the approval of this consent order by the Board of Ethics.

The parties agree that this consent order resolves all factual and legal issues raised in this matter. The Respondent understands and voluntarily waives his right to personally appear at the administrative hearing, to subpoena witnesses to testify at the hearing, to confront and cross-examine all witnesses, and to have the Board hear the matter.

Without admitting or denying the allegations, the Respondent consents to the following terms to resolve the pending matter by consent order:

1. The Board advises Respondent that he should not request, use, or permit the use of any public property, vehicle, equipment, labor, or service for private advantage except on the same terms as allowed for other citizens and to comply with the City's Code of Ethics.
2. The Respondent further agrees that he will refrain in the future from requesting or accepting city services from city employees that are not available on the same terms to any citizen of the City on request, and will pay the City of Atlanta the amount of \$812.26 from personal funds within 10 days of the date of this order.
